TeachTown Social Skills at Home Use
Student Login – Parent/Guardian Letter

Dear Parent/Guardian,

TeachTown Social Skills combines television-quality video animations with lessons, activities, and assessment tools to teach social skills. It provides teachers, parents, and guardians with a fun, engaging program that improves a child's social awareness and behavior.

We are excited that your student will be using the TeachTown Social Skills program in the home environment. I have provided the Login and Password below and instructions on how to access as well but if at any time you have any questions please feel free to contact me or the Client Services team at TeachTown. They can be reached at clientservices@teachtown.com.

TeachTown Social Skills at Home Use

Parent/Guardian Instructions

With the student login and password, students can now access the Video, Interactive Activities, and the Comic Strip Builder (Middle School only) for TeachTown's Social Skills Program.

- Parents or students can log into their own account via www.teachtown.com (or available via the IPad App)
- Select Sign In or My Account at the top of the homepage
- Select **Click Here if you are a Student**

- Enter Login and Password provided to you by your teacher
- By Targeted Behavior, the student can access the Video, utilize the Interactive Activities, or create their own Comic Strip (Middle School only)

Sample Interactive Activity

Sample Comic Strip

Students can select the environment, characters, and props and enter their own dialogue into selected bubbles. They can then be printed or saved.
